Story background

Ladies and gentlemen, welcome to the Laughing Circus. Please have your seat here and visualize our two clowns parading from starting at the circus street. Acrobatics, performing, and jokes! Don't stop your smiley face from laughing until the end of this show.

How to Play :

Unity 2D Platform Running Game in Multiplayer(2 Player)

In this game ,players play the role of clowns to overcome the difficulty by parading back to the circus.

Feature

Smiley audience will follow the player
